Dear Mother,

How are you? I am fine, Last ~~week~~ Friday our team played basketball with 7 schools. Our team lost 11 to 38, Last Saturday our team played and lost 20 to 5/. I have not played with the junior league because the gym is closed. I think that I will play in January.

Last Friday I went to the corner. I bought Christmas gifts. I will go again I will buy something beautiful for you. You will not open the package until Christmas. I hope I have a bicycle.

The Boys Scouts will go to camp on December 13. It will be fun.

I love you very very Much,

Ray
